# Xerox® WorkCentre® 7970i Colour Multifunction Printer

Xerox gives you the tools to streamline workflows, create new efficiencies and take the productivity of your team to a higher level. For more information, visit [www.connectkey.com](http://www.connectkey.com)

## Be ready to respond

Experience a simplified, and intuitive user interface that can be tailored for your individual business needs. Easily create a workflow that enables you to scan information to your selected destinations, (email, desktop, network folders, cloud repositories) in secure text searchable formats, at the touch of a button. This saves time and allows more to be done with the information you scan and store.

Embedded apps allow you to easily connect your mobile workers to the device. Xerox App Gallery allows you to download new apps, such as Print from DropBox™ and Scan to Microsoft® Office 365 directly from the user interface. Xerox® ConnectKey® Technology helps to streamline how your business deals with critical information—in-house or in the cloud.

For more information, visit [www.xerox.com/AppGallery](http://www.xerox.com/AppGallery)

## Access from Anywhere

Xerox® print drivers based on Microsoft® Windows® give you the ability to save different settings per application, minimising the need to make changes and reducing the risk of potential errors. Xerox® ConnectKey Technology evolves with your needs by restricting usage and regulating colour printing. The User Permission control integrates with your internal authentication system, allowing you to prevent pre-determined or non-authenticated users from seeing specific features on the user interface.

## Saving You Time So You Can Save Money

The WorkCentre 7970i allows you to control device functions from any workstation. The Remote Control Panel makes it more convenient to train users and for IT staff to remotely view and monitor the user interface.

Xerox® devices built on ConnectKey Technology support a Wi-Fi Direct connection that lets you print from your mobile device without having to connect to a network.

Xerox enables secure and accurate printing and scanning with a continuum of mobile options that fit your environment, with free print and scan apps, such as Xerox® Mobile Link App, plus a robust set of mobile enterprise solutions.

For more information, visit [www.xerox.com/mobile](http://www.xerox.com/mobile)

## Create a secure environment

ConnectKey Technology provides advanced features and technologies to help ensure your company's confidential information stays secure. Our standard security features include AES 256-bit hard disk encryption, McAfee® protection powered by Intel Security, image overwrite, secure print with timed deletion and emailing to external mail servers.

## Continuing the Innovation

- **High-resolution output.** 1200 x 2400 dpi, photo quality colour images and crisp text give your documents clarity and impact.
- **Harness the power of Fiery.** Upgrading your WorkCentre 7970i with an EFI® Fiery® Network Server gives you a host of benefits including colour management tools, enhanced productivity and flexible workflow tools.
- **Finished with finesse.** The WorkCentre 7970i produces professional looking output with a multitude of finishing capabilities, including saddle-stitched booklet making, Z and C folding, hole punching and multiposition stapling.

## Xerox® Easy Translator Service

This optional service allows customers to scan a document and receive a translated print and/or email notification. Users can also send an image from an iOS or Android device, or a PC, that is forwarded for translation. For more information, visit <https://xeroxtranslates.com>

### Finishing Options

- 1 High Capacity Feeder\***. Holds 2,000 sheets of A4 paper, increasing the maximum paper capacity to 5,140 sheets.
- 2 Exceptional media flexibility.** The Xerox® WorkCentre® 7970i handles a wider range of media types and weight from more trays than most devices in its class. It supports up to 300 gsm and media sizes up to 320 x 483 mm.
- 3 Print envelopes easily** using our optional envelope tray (replaces Tray 1).

- 4 Dual-head, single pass scanner** saves time by simultaneously scanning both sides of two-sided documents at up to 133 impressions per minute.
- 5 Large work surface** (recommended for Convenience Stapler) gives you plenty of room to sort documents.
- 6 BR Finisher\*** gives you advanced finishing functions at a great value.
- 7 BR Booklet Maker Finisher\*** provides advanced finishing with booklet making capabilities.

- 8 C Fold / Z Fold Unit\*** C Fold / Z Fold Unit\* adds A3 Z-folding, A4 Z-folding and A4 C-folding to the BR Finisher or BR Booklet Maker Finisher.
- 9 Customisable 9-inch user interface**
- 10 Standard apps for extra convenience.** Xerox App Gallery, @PrintByXerox and QR Code help with mobile printing and pairing and loading new apps.

## Environmental Features

### Conserve energy with green technologies.

- **Xerox® EA Toner.** Our EA Toner with ultra low-melt technology achieves minimum fusing temperature at 20°C, lower than conventional toner, for even more energy savings and brilliant glossy output.
- **Induction heating.** The newly developed, heat-efficient IH fuser does not require preheating, which helps reduce power consumption in standby mode by 44 % compared to a resistance heating device.
- **LED scanner.** The power consumption of the scanner is one-third of traditional scanners using fluorescent lamps.

### Manage resource usage and print responsibly.

- **Energy Management.** With Cisco EnergyWise®, enabled by Xerox® Power MIB (Management Information Base), you can control, manage and report your device's power consumption information, and set optimal power states and timeout intervals.
- **Earth-smart printing.** Our innovative new Xerox® Earth Smart feature allows you to choose the most environmentally sensitive options for your print jobs.
- **ENERGY STAR® qualified.** WorkCentre 7970i devices meet the stringent ENERGY STAR® requirements for energy use.
